## RECORD OF R.P. DUTIES CARRIED OUT IN SHIPS AT SEA.

To be filled in, in H.M. Ships at sea, when duties are performed for not less than six months.

Where a rating is found unsuited for any particular Radar Plotting duty, a notation to that effect is to be made in RED. Should any man be subject to severe seasickness, and therefore unsuitable for employment in ships smaller than cruisers, this fact is to be reported to the Commodore of the man's Depot, and a notation made on Page 2. If trained as spare number, note the duty in column 5 and 6, and insert the word "spare" in column 7.
